Sole Sisters is a TEAM which participates in the **MS 50 Mile Challenge Walk** the First Weekend of June. You can track our progress or make donations at www.gatewaymssociety.org. Multiple Sclerosis (MS) is a chronic disease of the central nervous system affecting the brain and spinal cord. One new case of MS is diagnosed every hour. The Gateway Chapter represents over 7500 people living with MS in 90 counties throughout the eastern Missouri and southern Illinois area. Our mission is to *end the devastating effects of multiple sclerosis in our lifetimes*
